PROFESSIONAL EXPERIENCE

KG. INTERNATIONAL, DUBAI | MARKETING AND BUSINESS INTERN

- The company is a global trading and distribution firm supplying industrial and automotive components (bearing gearboxes, industrial spares, lubricants, etc.) across multiple continents. **JUNE 2025**
- Worked on reporting and research to support business planning and operations across global supply-chain lines.
- Coordinated with sales, procurement, tech, and operations teams to ensure smooth data flow, order processing, and documentation accuracy.
- Gained exposure to international trade operations, global supply management, and cross-border logistics dynamics.

INDUSIND BANK, BHUBANESWAR | RESEARCH INTERN

MAY 2025

- Analysed banking service workflows to evaluate process efficiency and digital adoption.
- Compared manual vs digital transaction flows to identify gaps and recommend improvements in operations.
- Prepared structured reports used by HR & Operations teams for strategic decisions.
- Gained understanding of transaction processing, compliance, KYC, and risk control frameworks in banking.

PROJECTS

Operational Efficiency Study in Digital Banking — Led a month-long analysis at IndusInd Bank comparing digital and manual workflows, identifying bottlenecks, and recommending process improvements for better turnaround and transaction accuracy.

Global Supply & Market Analysis Report (KG International) — Compiled data on international demand, supply cycles, and market trends for industrial components; created a reporting framework to support sales and procurement decision-making.
