ABOUT ME

Motivated BCA student from Mount Carmel College with a strong foundation in programming, web technologies. Certified in advanced Excel, eager to apply technical and analytical skills in a dynamic IT environment. highly motivated and detail-oriented with a strong foundation in computer science principles, programming languages like Java, Python, and web development. Passionate about developing software solutions and eager to gain hands-on experience in the IT industry. Looking for an opportunity to apply my academic knowledge and contribute to the growth of a forward-thinking organization.
