WORK EXPERIENCE

Kerala Minerals and Metals Ltd

Kollam, Kerala

Finance Intern

May 2025- June 2025

- Assisted in processing purchase and work orders, including voucher preparation and approval within KMML's structured multi-tier system.
- Managed medical reimbursement claims, verifying documentation such as bills and prescriptions, coordinating with HR and finance, and facilitating timely reimbursement through salary adjustments or direct transfers.
- Supported working capital operations, gathering financial reports and assisting with documentation review needed for securing short-term banking facilities.

Quilon Cooperative Urban Bank

Kollam, Kerala

Finance Intern

May 2024- June 2024

- Entered all registered loans from the loan book into the bank's system, ensuring accurate and timely data management.
- Assisted in the preparation of reports concerning previously sanctioned loans, providing comprehensive summaries for board members

ACADEMIC PROJECTS & RESEARCH

- **Forecasting Rural India's CPI Using Time-Series Modelling (2025–2027)**
Applied ARIMA/SARIMA models in R on MoSPI CPI data (2013–2025) to generate 18-month inflation forecasts and recommend policy measures for supply-chain efficiency and monetary–fiscal alignment.
- **Impact of Food Delivery Apps on Consumer Behavior**
Surveyed 205 respondents to study spending behavior and digital consumption patterns. Highlighted convenience and discounts as key drivers, with implications for consumer businesses and regulatory oversight.

LEADERSHIP & POSITIONS OF RESPONSIBILITY

- **Core Team Member – Mount Carmel Innovation, Incubation & Entrepreneurship Cell**
Coordinated logistics for events like *Sustainability Startathon*, enhancing operational efficiency by anticipating and mitigating challenges.
- **Class Representative**
Acted as liaison between faculty and peers, ensuring smooth communication and resolution of academic/administrative concerns
