EXPERIENCE

INTERNSHIPS

Internship: HR Recruitment
company: kenn it business
solutions
Duration: july 7,2025 - august
2,2025

- Sourcing & Screening: Identified and evaluated candidate profiles for suitability.
- Interview Management: Assisted in conducting screenings and managing interview processes.
- Database Management: Maintained and updated recruitment databases efficient

PROJECTS

1. Waste to Wonder Project:
Worked on a project that turned organic waste into useful products. Helped in planning and organizing the process, which improved my skills in teamwork, planning, and sustainability.
2. Budget Management:
Managed a ₹1000 budget for a small event. Learned how to plan expenses properly and use money wisely to complete the event within budget.
3. Digital Transformation in Financial Services:
Studied how technology is changing financial services, including the use of digital currencies and green loans that support environmentally friendly projects.
4. Digital Solutions in Insurance:
Researched how digital tools are being used in the insurance sector and how eco-friendly products like green loans and insurance plans are becoming more popular.
