Recruitment Process

Educator Position

Here's an opportunity to be a part of a team working with a vision of providing world class education and empowering the minds of young students.

Sakha's methodical recruitment technique ensures that all hiring & employment decisions are based on individual merit and not on any bias towards ethnicity, age, color, race, marital status, religion, disability, or anything else. We base our employment decisions only upon the qualifications and abilities of each individual.

Step 1	Registration Form This is the golden ticket to start your journey to a great career.
Step 2	Written Test Round This is a written round with 3 online tests: 1. Communication & Personality Test 2. Subject Matter Test
Step 3	Demo Round Candidates with the best aptitude & communication, good subject knowledge make it to the demo round. Upon selection, you will deliver a demo topic and Sakha will assess your i) subject matter knowledge, ii) story telling skills, and iii) delivery methodology.
Step 4	Panel Interview A class 8 student's testimony at Sakha says <i>"What keeps me going is the fact they give their best effort to teach when I am at my lowest or me not understanding..."</i> A great educator has to demonstrate high level of patience & compassion even under stressful circumstances. Our panel looks for such candidates. If you can handle stress, if you can demonstrate spontaneity, and if you are someone with virtuous values, then you will pass this round with flying colours.
Step 5	HR Interview Sakha's leadership believes that every educator is critical in making every learner at Sakha a superhero. Hence, finding and establishing synergy between your career goals & Sakha's goals is critical for the success of all stakeholders. We believe it's our responsibility to provide you with an exciting career path upon your commitment to Sakha.

Successfully clearing all the rounds will make you an Educator at Sakha:

Educate... Evolve... Excel... Refine!
