## SUMMARY

Final-year BBA Finance student with a solid academic grounding in accounting, taxation, and financial management. Demonstrates hands-on audit exposure through a certified Audit Job Simulation by PwC, where key audit concepts like materiality, fraud detection, and financial assertions were applied. Equipped with technical skills in Tally Prime, Tableau, and HTML, along with strong proficiency in MS Office. Known for being a proactive learner, a committed team player, and a detail-oriented individual with strong communication abilities. Also actively involved in cultural and social service initiatives as part of the Kannada Sangha Association and Youth Red Cross, showcasing leadership and a sense of responsibility. Eager to contribute analytical, audit-focused, and interpersonal strengths in a dynamic assurance role.
