EXECUTIVE SUMMARY

Analytical business student experienced in event production, market research, and lead generation optimization using AI tools. Proven ability to identify industry trends and engage executive-level delegates for high-profile summits, demonstrating strong communication and stakeholder management. Detail-oriented and adept at improving operational efficiencies in fast-paced event environments, eager to contribute to dynamic production teams.

EXPERIENCE

RM Events

Bengaluru, India

Producer, Business Development Intern

October 2025 – Present

- Spearheaded the initial 'production' phase by conducting in-depth market research to identify target companies and relevant industry trends for upcoming events.
- Leveraged an AI sales tool to optimize the lead generation process, boosting the qualified delegate pipeline.
- Successfully engaged and invited over executive-level delegates to high-profile summits, demonstrating advanced professional communication and stakeholder management.

Wellnet Services

Bengaluru, India

Accounts and Finance Intern

June 2025 – August 2025

- Supported core financial operations by conducting precise data entry and managing the creation of employee Provident Fund (PF) accounts.
- Demonstrated strong administrative proficiency across both finance and sales teams.

Cultivated advanced organizational skills through the successful management and prioritization of diverse, time-sensitive tasks.
