ABOUT ME

A dual postgraduate with a Master's degree in English and an MBA specializing in Business Analytics, seeking to launch a career in corporate sector, also passionate about education and open to teaching opportunities. Possessing strong communication skills, analytical thinking, and a passion for knowledge-sharing, I am equally enthusiastic about opportunities in teaching and business analysis. My English background enhances my ability to convey complex ideas clearly and confidently, while my MBA equips me with the analytical tools to interpret data, support decision-making, and contribute to business growth. Open to roles in academic institutions and corporate environments where I can make meaningful contributions through a blend of communication, critical thinking, and data-driven insights.
