

JOB TITLE: 2026 Operations Full-Time Analyst Program - India

Short Job Description

If you enjoy collaborating and identifying ways to improve processes, then our Banking Operations role is right for you.

Job Summary

As an Operations Full-Time Analyst, you'll work with a variety of professionals to drive growth, make sure operations are effective and manage risk while maintaining the highest standards. You'll gain insight into how our businesses come together to serve our clients around the world. You'll have the opportunity to make meaningful contributions while developing your professional expertise in a dynamic team environment.

Working here means joining a collaborative, supportive team. We want your diverse perspective to help us innovate the next wave of products and solutions for our clients. We'll give you what you need to succeed including training, mentoring, access to senior leaders and projects that engage all your skills.

Job responsibilities

This role offers the unique opportunity to sharpen your technical, analytical and leadership skills. You'll make an impact through one or more of the following areas, subject to business requirement.

- Drive operational excellence by leveraging product offerings to serve clients.
- Identify and implement innovative solutions to improve processes.
- Evaluate and quantify control gaps, operational risk impacts, and compliance initiatives.
- Support regulatory requirements across various business areas.
- Solve business challenges and enhance the end-client experience through digital and strategic initiatives.
- Collaborate with team members to deliver impactful results.
- Develop technical, analytical, and leadership skills through hands-on experience.

Required qualifications, capabilities, and skills

- Pursuing B.com \ BBA \ BMS \ BBM \ BA \ B.Sc. \ BCA (As applicable to your campus) with an expected graduation date of May 2026
- Final minimum aggregate score of at least 60%
- No current active backlogs
- Demonstrate flexibility to work in different time zones as required by the business
- Apply excellent project management and problem-solving skills

- Exhibit exceptional interpersonal and communication abilities
- Collaborate proactively as a strong team player in a fast-paced environment
- Analyze large amounts of information to develop innovative, detail-oriented solutions
- Utilize Microsoft Excel and PowerPoint effectively
- Show enthusiasm for financial services
- Bring relevant internship experience and leadership in school or community organizations

Locations you may join: The same location as your campus

Applications will be reviewed on a rolling basis. We strongly encourage you to submit your application as early as possible as there is limited space in the programs.

Join us

At J.P. Morgan, we're creating positive change for the diverse communities we serve. We do this by championing your innovative ideas through a supportive culture that helps you every step of the way as you build your career. If you're passionate, curious and ready to make an impact, we're looking for you.

What's Next?

Help us learn about you by submitting a complete and thoughtful application, which includes your resume. Your application and resume is a way for us to initially get to know you, so it's important to complete all relevant application questions so we have as much information about you as possible. After you confirm your application, we will review it to determine whether you meet certain required qualifications.
