Career Objective

As a Bachelor of Commerce specialising in Strategic Finance graduate currently pursuing Honours, seeking the Analyst – EDD/CCS role at KPMG KGS. I am interested in building a strong foundation in due diligence, research analysis, sanctions screening, and financial assessment. I aim to contribute to accurate documentation, risk evaluation, and quality compliance, while developing my technical and analytical skills in a supportive consulting environment. I look forward to learning from experienced professionals and growing steadily within the forensic and risk domain.
