CAREER SUMMARY

A driven and meticulous B.Com (BPS) student with excellent academic standing and practical internship experience in financial reporting, auditing, and taxation. Looking for chances to use my accounting, organising, and analytical skills in a professional setting while promoting process effectiveness and company expansion. Devoted to lifelong learning and producing accurate, dependable, and honest results.

POSITIONS OF RESPONSIBILITY

As Member (Event CUL - AH) for Year 2024- all India inter-collegiate cultural festival

- Coordinated logistics, scheduling and resource management to ensure smooth execution of multiple activities.
- Appreciated by faculty and organisers for efficient event handling and teamwork under tight deadlines.

Commerce Association, Logistic sector

- Oversaw event logistics, including venue setup, materials arrangement and coordination. Streamlined operational support to facilitate the successful conduct of commerce-related activities.

Remedial Class Coordinator

- Conducted remedial classes for juniors in FA subject, helping improve understanding and performance.

ACADEMIC PROJECTS

Management by Principles

- Worked as a team member on a MBP project, analysing key business principles and their application in real world organisational settings. The project included research, case study evaluation and a final group presentation.

AMFI (Association of Mutual Funds in India)

- Independently researched the role of AMFI in regulating and promoting mutual funds in India. The project was focused on investor awareness initiatives, regulatory guidelines and the growth trends of the Indian mutual fund industry.

Child Rights Trust NGO

- Visited the NGO, interacted with beneficiaries and submitted a detail report summarising observations and learnings.
