**About the Company:**

Consilio's consulting and services teams assist legal departments of multinational corporations and their outside counsel to respond to legal matters, reduce legal spend, minimize risks and operate more efficiently. Whether we are supporting clients with our eDiscovery, document review or legal consulting services, we pride ourselves in delivering service excellence around the globe, wherever it matters to our clients.

We are problem solvers. Our knowledge and best practices have been forged from engagements on thousands of matters with hundreds of clients, all around the world. That knowledge also fuels our own technology innovation to provide clients with greater leverage to solve challenges at lower cost, with lower risk and in less time.

### Consilio's True North Values
