SUMMARY

Ambitious, highly motivated, and a dedicated student possessing a strong academic foundation, complemented by hands-on experience through coursework, projects, and extracurricular activities. Demonstrated my ability to work collaboratively, solve problems creatively, and manage multiple responsibilities efficiently. During my internship at Goldman Sachs, I worked on discrepancy checks, improved process accuracy, and strengthened risk-monitoring workflows. Actively learning about finance and operations, and eager to apply my skills and enthusiasm to contribute to a dynamic team and gain further experience at Javelin Global Commodities.
