

## Founder's Office Intern – Growth

### About Kalvium:

**Kalvium** is an exceptional startup with a mission to make the **world's education more relevant and engaging**. Our flagship offering is **India's BEST Undergrad Program** in **Computer Science Engineering**, which is offered across 20+ Universities in India.

We are backed by 30+ industry stalwarts like top executives from Google, Microsoft, Flipkart, and PhonePe, as well as luminaries of India's unicorn ecosystem like Anupam Mittal, Kunal Shah, Rahul Chari and Ankit Bhati.

We are on the lookout for passionate minds to champion our vision and join us on a journey to redefine the global tech education landscape.

### Job Description:

**We're building KalviumX — a brand that helps India's smartest CS students shine. You'll join the Founder's Office to growth-hack KalviumX from 0 to 1:**

- ❖ Build landing pages with Elementor
- ❖ Grow our LinkedIn reach
- ❖ Nurture leads via email newsletters
- ❖ Do basic SEO
- ❖ Run outbound campaigns
- ❖ Try, test, and scale new growth ideas every weekAll of this with heavy use of AI.

**This is not a specialist role. It's a “Figure It Out” role. You'll wear 10 hats, learn fast, and execute even faster.**

### What You'll Do:

- ❖ Build and update WordPress/Elementor websites
- ❖ Create and automate email funnels (e.g. ConvertKit, MailerLite)
- ❖ Research and reach out to partner companies via cold email
- ❖ Design carousels and posts for LinkedIn
- ❖ Use ChatGPT, Canva, and Notion AI to work smarter
- ❖ Track metrics, come up with experiments, and run them
- ❖ Report directly to the founder

### What We're Looking For

- ❖ You're a fast learner and self-starter
- ❖ You know how to use ChatGPT, Notion, Canva and similar tools
- ❖ You've dabbled in websites, writing, design or outreach

- ❖ You enjoy chaos and clarity in equal measure
- ❖ You're available for 12 months

**Perks:**

- ❖ Work directly with Kalvium's founding team
- ❖ Hybrid work with flexible hours
- ❖ Monthly stipend: ₹20,000
- ❖ Weekly learning sprints + strong recommendation letter
- ❖ Become an AI-native operator — a skill for life

**Performance:**

- ❖ Weekly learning sprints + strong recommendation letter
- ❖ Become an AI-native operator — a skill for life

**Qualifications:** BBA/B.E/B.Tech Students (**2026 Pass-Out**) in Any Stream, with minimum of 55% Marks, throughout academics and no active Backlogs.

**Internship Duration:-** 12 Months or completion of Graduation (Whichever is Later).

**Location:** Onsite (Bangalore Office)

**Monthly Stipend:** ₹20,000.

**CTC Post Conversion to Full Time:** 1. Rs. 8.5 LPA (Rs. 7LPA Fixed + Rs. 1.5LPA Performance Bonus) +  
2. Rs. 1.5 Lacs of ESOPS.

**Kalvium's Core Values:**

- ❖ We obsess about student experience and outcomes above all.
- ❖ We embrace extreme ownership, focusing on outcomes over tasks.
- ❖ We respect and trust each other.
- ❖ We disagree with candour and courtesy.
- ❖ We improve things regularly, rather than chasing perfection.
- ❖ We learn continuously and seek discovery

**To Apply (In Under 15 Minutes):**

(A) Fill This Google Form:- <https://forms.gle/cfnKqKAecsa3NXk8A>

(B) We'll ask for:

- ❖ A 1-min Loom video introducing yourself
- ❖ Your Resume or LinkedIn Profile

If you resonated with the description and answered '**Oh, that's so me!**' while reading along, this role is an ideal fit for you.
