## WORK EXPERIENCE

### Godrej Properties

#### Customer Centricity Intern

April 2025 – June 2025

- Analyzed and synthesized data (e.g., interest rates, processing fees, loan tenure) across 10+ major banks to develop a comprehensive home loan guide, designed to reduce customer decision-making time and improve purchase transparency
- Assisted the post-sales team in managing the customer lifecycle by processing documentation approvals on key enterprise platforms, including Salesforce (SFDC) and the D4U portal

## POSITIONS OF RESPONSIBILITY

### Placement Cell, Mount Carmel College

#### Internships Head

April 2025 – Present

- Spearheaded the placement of 88 students and the coordination of 13 corporate hiring drives by leading and mentoring a 4-member team
- Revamped the student data management system (260+ records) by implementing standardized input fields, eliminating the need for manual sorting and reducing data entry errors by an estimated 95%

#### Core Team Member

April 2024 – April 2025

- Coordinated the end-to-end internship process for multiple hiring drives, directly contributing to the successful placement of 160+ students within a single academic year
- Played an integral role in organizing 'Vantage' the placement cell's flagship corporate event, by conducting due diligence and managing communications for 50+ participating companies

## ACHIEVEMENTS

### India Sustainability Startathon – Nebula Promissory Funding Awardee

- Developed a fashion rental marketplace website promoting sustainability and reducing fast fashion overconsumption.
- Selected among 110 teams for innovative research and practical implementation
- Pilot-tested with 21 participants, achieving an 83% success rate and securing Nebula's funding interest for its feasibility and market potential

### EY CAFTA Case Competition 2025 - Second Runner Up

- Recognized among participants from top B-Schools across India for innovative financial strategy and analysis.
- Built a 16-instrument semi-live Excel portfolio tailored to an IT firm's cash flow cycle, achieving returns exceeding the 7.2% G-Sec benchmark through effective instrument selection and allocation

### Grant Thornton CaseQuest 2025 – Top 10

- Secured a Top 10 national finish out of 2050+ participants by designing a data-driven DE&I strategy to increase women in leadership at a global firm from 37% to 41%

## EXTRA - CURRICULARS
