

## KP MUFLIHA

Fresher | +91 9611966263 | Kpmuflilha1@gmail.com | Bangalore, Karnataka.

### PROFESSIONAL SUMMARY

My goal is to effectively contribute to the field of Information Technology by applying my skills, academic knowledge, and problem-solving abilities while continuously learning and growing within an organization.

### EDUCATION

Bachelor of Computer Applications, Mount Carmel Autonomous College, 2023-26

### ACADEMIC PROJECTS

#### Donuts and Pastries Website

Technologies used: HTML, CSS, JavaScript.

Description: Developed a static website called Pastries and Donuts Haven as a web development project. The site includes product listings, a styled layout using CSS, and an interactive order form with alert messages to confirm successful submissions.

#### Python Quiz Game

Technologies used: Python.

Description: Created a command-line-based quiz game using Python. The game features multiple-choice questions, score tracking, and a timer to add a challenge. I used conditional logic and loops to control the game's flow.

### TECHNICAL SKILLS

Programming languages: Python, Java, SQL

Web Technologies: HTML, CSS, Javascript

### LANGUAGES KNOWN

English

Malayalam

Hindi

Kannada
