INTERNSHIP/S

1. SALES INTERN IN FORTUNE ONE COMPANY
REALESTATE COMPANY

August 2025 - September 2025

A sales intern responsible for handling end-to-end business activities, including assigning leads and clients to the team, coordinating with customers, and managing follow-ups. Actively engages with clients to explain offers and plans, ensuring smooth communication and relationship building. Supports the sales team by tracking progress and maintaining organized records. Plays a key role in bridging customer needs with business solutions.

2. FUNDRAISING INTERN IN SHE CAN FOUNDATION

July 2025

A fundraising intern in an NGO works on identifying potential donors, reaching out to supporters, and assisting in organizing fundraising campaigns. They help in preparing proposals, maintaining donor databases, and coordinating events to generate funds. Their role focuses on building relationships and ensuring effective communication to support the NGO's mission.

ACADEMIC ACHIEVEMENTS AND AWARDS

I am currently pursuing ACCA and have successfully cleared 7 out of 13 papers, building a strong foundation in accounting, finance, and business concepts while progressing steadily toward full qualification

POSITIONS OF RESPONSIBILITY

1. Student Coordinator – B. Com (International Accounting & Finance): Organized and led "Prospero", a flagship ACCA-themed fest, where academic concepts were innovatively transformed into gamified events, ensuring active student engagement and smooth event execution.
2. Class Representative – B. Com (IAF): Served as CR for three consecutive years, managing day-to-day class requirements, coordinating between faculty and students, and assisting teachers with data handling and academic support.

EXTRA-CURRICULAR ACTIVITIES AND ACHIEVEMENTS

1. Gained hands-on experience in PR and Marketing through college fests and events.
2. Served as a member of the Logistics Core Team, ensuring smooth event operations.
3. Contributed to Artist Management, coordinating and handling performers at events.
4. Completed an Advanced Excel course, enhancing analytical and reporting skills.

OTHER INFORMATION

Keen interest in Data Analytics and Data Interpretation, with a focus on deriving insights to support informed decision-making.
