

# SURIYA VASAN R

Aspiring Business Professional

## PROFESSIONAL SUMMARY

As a Business Administration student, I pride myself on being a responsible and organized individual. I am eager to gain my first professional experience and contribute my skills to a dynamic organization. I aspire to work in a role where I can apply my ideas, learn through mentorship, and create value for my employer. Committed to contributing dedication, diligence, and effort to both the success of the organization and my own career growth.
