WORK EXPERIENCE AND PROJECTS

Goldman Sachs | Summer Analyst | Commodities Trading Middle Office, Global Banking & Markets May-July, 2025

- Streamlined automated trade validation using product/exchange codes; **saved 20+ minutes daily** and improved review **efficiency** by ~70% vs prior manual checks across **500+ trades/day** on an average.
- Built classification filters for **100+ exception types across 5+ exchanges**, accelerating compliance reviews.
- Developed **prioritization logic** for unmatched trades across global desk, coordinated with **9+ stakeholders** to standardize threshold.
- Drafted multi-phase **automation handover** (Alteryx) for secure financial trade reporting to DTCC and integrated process updates in **Confluence** for reproducibility and audit readiness.
- Performed **T+1 BAU** reviews across **four** functions, identified and escalated trading anomalies in real time.

Black-Scholes Analysis | *Independent Project*

December, 2024

- Conducted detailed analysis of the Black-Scholes option-pricing model, covering its derivation and practical applications.
- Applied the model to price European call options to manage risk via delta-hedging strategies.

ACHIEVEMENTS

- Led a cross-functional team to secure **top 5 finalist recognition** at Goldman Sachs in competitive firm-wide innovation challenge.
- Ranked among the **top 20** out of 300 teams in the flagship fest- **Venix Case Study Competition** held at IIM Bangalore.
- Received **Honourable Mention** at **Leo Lion's International MUN 2024** for representing Sweden in UNHRC.
- **Shortlisted for D. E. Shaw's Finspire Fellowship 2024** and accepted into the **Finlatics Investment Banking Experience Program**.
- Scored **95+ percentile** in four subjects in CUET 2023 and received a merit-based scholarship from ISBF (affiliated with the LSE).

POSITION OF RESPONSIBILITY

Head of Logistics | Student Council, MCC

June, 2024 – Present

- **Managed INR 9 lakh budget** and delivered a national-level cultural festival with **25k+ student reach** and **15k+ live attendees**, deploying a three-tier command system that improved cross-department workflows by ~30%.
- Directed comprehensive **logistics operations** from vendor negotiations (**15+ partners**) to safety compliance and established contingency protocols that enabled effective crowd control under high-pressure conditions.
- Orchestrated **collaboration** across **63 college societies** and **10+ departments**, aligning with **40+ stakeholders** to deliver events at scale; **reduced TAT** for approvals by **10%**, driving record participation and recognition for execution excellence.
