Career Objective

Motivated Bachelor of Commerce (Strategic Finance) graduate, currently pursuing Honours, with a passion for audit and assurance, financial analysis, and compliance. Looking to join KPMG as an Audit Associate to apply my academic background and technical skills in auditing financial statements, identifying reporting inconsistencies, and assisting in delivering high-quality assurance services. I aim to leverage my proficiency in MS Excel, accounting knowledge, and analytical mindset to support global audit teams, work effectively under tight deadlines, and grow into a well-rounded audit professional contributing to the firm's global impact.
