

# Vaishnavi Bhat

Motivated undergraduate with a dual major in Psychology and Sociology, passionate about urban policy and social impact. Experienced in research, content creation, stakeholder interviews, and reporting through internships across policy, media, and tech platforms. Skilled in writing, research, data organization, community engagement, and digital communication. Seeking opportunities to contribute to inclusive policy initiatives and empower communities through accessible information and advocacy.

## EXPERIENCE

### Centre for Heritage, Environment and Development, Ernakulam

May 2025 - June 2025

- Developed a report on gender inclusivity in public transport for Centre for Heritage, Environment and Development – the research and development wing of the Kochi Municipal Corporation.
- Conducted interviews and fieldwork to understand women's travel challenges and needs.
- Analyzed past transport policies and case studies to suggest gender-sensitive improvements.

### Ameya, The Empowerment Initiative — *Research and Advocacy*

March 2025 - MAY 2025

- Conducted in-depth legal research on constitutional changes and policies affecting women's rights in India.
- Compiled and managed data on women's healthline centers, ensuring accessibility for research and outreach.
- Organized and maintained legal research findings using Google Sheets for efficient documentation.
- Contributed to the development of an AI-driven chatbot to assist women in accessing legal support.
