PROFILE INFO

A meticulous and analytical final-year student completing studies in International Accounting and Finance. I bring a robust understanding of core accounting principles and financial statements, coupled with a deep academic focus on the integrity of financial systems. Possessing a strong foundation in IFRS and proficient in compliance protocols, including Anti-Money Laundering (AML), Know Your Customer (KYC), OFAC regulations, and complex Due Diligence processes. My career ambition is firmly set on applying these investigative skills to challenging roles in forensic accounting and assurance.
