2025 Internship

Financial Statement Analysis

- Prepared Profit & Loss (P&L) statements, Cash Flow statements, and Balance Sheets using dummy financial data.
- Created Financing Sheets and Asset Roll-Over Cost schedules for financial tracking and planning.
- Performed Financial Statement Analysis, including Ratio Analysis, Trend Analysis, Common-Size Analysis, and Comparative Analysis.
- Developed financial forecasts for Revenue, EBITDA, and Expenses based on historical and projected trends.
- Done beautification of the dashboard in Power bi tool.

2024 Project

FINANCIAL MODELLING FOR EQUITY VALUATION

Developed model to analyze and predict stock performance.

- Historical & Ratio Analysis: Analyzed FY2025–FY2029 performance using key financial ratios.
- Forecasting & Valuation: Projected financials using industry trends and macro assumptions; valued via DCF (FCFF) with WACC and CAPM.
- Risk & Performance Metrics: Assessed bankruptcy risk (Altman Z-score) and ROE drivers (DuPont).
- Benchmarking: Summarized valuation outcomes with a Football Field chart comparing DCF and trading comparables.

2025 Volunteer work

MBA FEST "EUPHORIA'25" VOLUNTEER IN TREASURE HUNT.

- Coordinated and managed participants from various colleges during fest events, providing clear instructions on rules, schedules, and competition guidelines.
- Supported smooth execution of events through crowd management, on-the-spot issue resolution, logistics, and collaboration with the organizing team to ensure discipline and timely flow
